Vedanta Limited & Hindustan Zinc Become the Only Indian Companies to Feature in LACP Global Top 20

- *Vedanta Limited and Hindustan Zinc become the **first two Indian companies to enter the global top 20 list** 2026*
- ***Vedanta Group companies secure number one and two positions in India**, with HZL ranking 4th and Vedanta Limited 19th globally; both win Platinum with scores of 99/100*

New Delhi, 25th November 2026: Demonstrating the strength of its corporate reporting and stakeholder communication, **Vedanta Limited (NSE: VEDL; BSE: 500295)**, leading global producer of metals, critical minerals and technology and its subsidiary **Hindustan Zinc Limited** (BSE: 500188 and NSE: HINDZINC), the world's largest integrated zinc producer and among the top ten silver producers globally, have secured India's top two positions at the 2026 LACP (League of American Communications Professionals) Spotlight Awards.

Hindustan Zinc Limited (HZL) has retained its **number one position in India for the second consecutive year, ranking 4th globally**, while Vedanta Limited has secured the **second rank in India and 19th globally** for its Integrated Annual Report FY26. Together, Vedanta and Hindustan Zinc are **the only two Indian listed companies to feature among the global top 20 reports this year.**

The recognition reflects Vedanta Group's commitment to **setting global benchmarks in corporate reporting**, with a focus on transparency, accountability and strong stakeholder engagement. Through comprehensive disclosures on business performance, growth strategy, capital allocation and long-term value creation, the company aims to provide investors and stakeholders with a clearer understanding of its business priorities, growth opportunities and future potential.

Vedanta Limited's Integrated Annual Report FY26 secured the **Platinum Award**, with a score of 99 out of 100 points. The company received Gold Award in the previous year. Hindustan Zinc's Integrated Annual Report FY26 has also achieved a significant global milestone, moving up from 6th place last year to **4th place worldwide**, **making it the first Indian Integrated Annual Report to enter the global top five**. The report received the prestigious Platinum Worldwide distinction and the Best Visual Design award.

The awards witnessed participation from companies across more than 20 countries, with only one in four entries receiving award-level recognition. Adding to this achievement, Vedanta's Online/Digital Annual Report FY26 also secured a **Platinum Award** in the Online Report category, in the $10 billion-plus revenue category. Hosted on a dedicated interactive microsite, the digital report offers stakeholders an engaging and accessible experience of the company's performance, strategy and value creation journey.

Disclaimer: This press release contains "forward-looking statements" – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "should" or "will." Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional, and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
